CONGRESSIONAL. THURSDAY, December 12.

SENATE.—Mr. Trumbull presented a petition to repeal the laws preventing Jewish divines from officiating as chaptains in the army.

Mr. Wilson offered a resolution that the Inspector General, Quartermaster General and Commissary General of subsistence be directed to inform the Senate what articles ought to be sold by the sutlers to volunteers, and such as would best secure their efficiency. He believed the whole system should be promptly abolished.

The resolution was agreed to.

HEADQUARTERS DEPARTMENT OF MISSOURI-TO Hon. T. P. Blair: Yours of the 4th inst. is just received. Order No. 3 was, in my mind, merely a military necessity. Unauthorized persons, black or white, free or slave, must be kept out of our camp, unless we are willing to publish to the enemy everything we do or intend to do. It was a military and not a political order. I am ready to carry out any lawful instructions in regard to fugitive slaves which my superiors may give me, and to enforce any law which Congress may pass; but I can not make law, and will not violate it. You know my private opinion on the policy of confiscating the slave property of rebels in arms. If Congress shall pass it, you may be certain that I shall enforce it. Perhaps my policy as to the treatment of rebels and their property is as well set out in order No. 13, issued the day before your letter was written, as I could now describe it. Yours truly, H. W. Kentucky, he said, was to be the great battle ground of this war; the people of that State hoped soon to see the day when the invader's foot would be expelled from their territory which is now invaded. Property has been ruthlessly de-stroyed or carried off. Hundreds have been made desolate, bridges burned, &c., and it is to protect the State while the army is marching elsewhere that the volunteer force is needed.

Mr. Wickliffe also said that he had received from the Military Board of Kentucky an urgent application to call on the War Department and ask for just such a corps as the bill provided.
